Reel Candy **MARLIN 2009** Newsletter

OCTOBER 2009

Sailfish Season is here!

The cold fronts from up north are moving this way and signaling the migration of sailfish for their journey south. Some boats from Stuart have already reported multiple bites on a single day. The ***Reel Candy*** is docked at the new *Sunset Bay Marina* in Stuart, Florida and will be available for your sailfish adventure this winter.

Chef Franks Announcement

Chef Frank

Chef Frank has moved to West Palm Beach. Although he is no longer creating those delicious meals for the Abaco Beach Resort, he is looking forward to breaking out some new receipes for our Reel Candy Newsletters.

Also Chef Marc from the Venice Yacht Club has some exciting seafood creations he has offered to share in our upcoming fishing reports.

Reel Candy welcomes New Addition

We are proud to welcome the McConnell family to the Reel Candy crew! Chance McConnell, his wife Regan, and daughter Avery, are from Mobile Alabama.

Chance is no stranger to the winners platform. Owner and operator of Expedition Charters, Chance has won several categories for Tuna and Blue Marlin in Gulf Tournaments. They own and maintain a 40' Express, tournament equipped luxury fishing vessel. Chance, and our mate Greg Dunley will be heading to Marsh Harbour, Bahamas in the next couple of weeks to initiate a few ***Reel Candy*** charter guests to Wahoo fishing in the Abacos!

Reel Candy Fishing Packages for November

NEW PROMOTION: If you fish the The Expedition for a full day and your party does not catch a fish, you can go the next day, just for the cost of fuel and gratuity.
(scheduling & weather permitting)

DOUG BEAN PRODUCTIONS

Reel Candy and Doug Bean have joined together to create a video of our 2009 Marlin Season. This is a memorable DVD of our guests and their catch aboard the Reel Candy. Details will be available on our website and your DVD will be sent postage free direct to your location.

THE REEL CANDY' "ENDLESS SUMMER"

Since Captain Marvin, had recent shoulder surgery for a torn rotator cuff, I get to type the Newsletter this time. Rehab and Physical Therepy, which Marvin describes PT as pain and torture, has required us to be close to home until the Marlin bite kicks off. We are offering all our Reel Candy friends and guests a discounted rate to join us this sailfish season in Stuart, Florida, for a sailfish charter.

After the disappointing marlin season we decided to answer our guests requests with a new venue this year. The Endless Summer, is a concept we have been planning with the Bahamas Ministry of Tourism. The Reel Candy, will start the Marlin Season in April at Grand Cay, and visit resorts throughout the Bahamas, such as Treasure Cay, Harbour Island, Cape Eleuthera, Cat Island, *And* of course our favorite fishing area San Salvador. Package rates are available throughout the Bahama Islands. Let us know where you would like to hook your blue marlin trophy.

With the addition of Chance and the Expedition, which will be based from Marsh Harbour. The Reel Candy, will be tournament fishing throughout the Bahama Islands, and will be available for you and your party.

There is also a new Survey Tab, for you to share your fishing and/or boating experience or an individual request, so that we can make this year even better. Please click here *reelcandyfishing.com* , let us know what you think. We are adding a "blog" feature, with fishing reports from our friends fishing the Carribean to the Australian Great Barrier Reef. The Reel Candy website is changing!

Reel Candy Sport Fishing is a Licensed United States and Foreign Bahamian charter service and is required to follow all US and Bahamian laws. We are required to book all of our Bahamian charters through our US corporation, which is located in Florida. We encourage all those looking for a charter to the Bahamas to inquire about licensing before booking with another boat. Your trip could be memorable for the wrong reasons. Your safety is important to us! Book your charter today by calling our office in Florida at 941-928-8888.

See You in Stuart and the Abacos!
